### FROM THE PRES

Well, Christmas time has finally arrived. That also brings to a close 1992. It was a great year for the NFARL. It was also a great year for me being your president. I learned a lot about radio and made lots of friends. Not only did the club grow from a fair size club to quite a large club but club activities and participation grew actively. The Monday night net took off like crazy, thanks to you and your new president Jeff Weinberg, AAARC.

Membership nearly doubled and many improvements were made in both repeaters. Coverage was expanded and attracted more members. Now that Fred has retired from IBM, he has been able to devote more time to "play" with the repeaters and keep them running at peak efficiency.

It has truly been an enjoyable year as your president. I hope you will keep your enthusiasm up as you have shown all of us over the past year. I'm sure Jeff will have new ideas for the club for 1993 and he will need your support. Fred, Hal and Dave have given me great support over this past year and I will miss working with them as well as standing in front of you presenting the new ideas attempted this past year trying to keep the club interesting and active. It was a pleasure to have Dave, KD4APK, as vice president and the cooperation given by him in my absence.

Hopefully I will continue to reside in the Atlanta area for several more years, however, it appears at this time that a transfer to Michigan is inevitable. I hate to speculate, but If I am unable to say good-bye in the mear future, I wanted to tell you it has been a real joy growing in the amateur redio hobby with you. I wish all of you well and please give Jeff all the support you gave me. I will be attending the annual Christmas party and hope to talk with you then.

Dave Vanderwall KO4SV

\*\*\*\*\*\* A MESSAGE FROM THE PRESIDENT-ELECT \*\*\*\*\*\*\*\*\*

Nope, not Bill Clinton. However, like the new President-Elect, I would like to thank you for giving me the opportunity to serve as your President in 1993.

I know that you will join me in taking this opportunity to thank our out-going President Dave Vanderwall, KO4SV, for his great efforts on our behalf in 1992. I hope that I can come close to doing the same type of good job during my term as President.

I would also like to take this opportunity to thank Hal Myers, KAJHM, for all of his contributions to the club over the past KAJHM, for all of his contributions to the club over the past several years serving in his capacity as club Secretary. Hal has done an excellent job in keeping track of the expanding membership of the N.F.A.R.L. and documenting each of our meetings. We will miss having Hal give his monthly reports. Steve Knittel, KC4YBO, will be taking on the duties of Secretary, and he will have some big shoes to fill.

I am very fortunate to have KD4APK, David Fellows, remain on as Vice President, and Fred Moore, M4CLA, remain on as Treasurer and head of the Technical Committee. They have served the club well in the past year, and I look forward to them helping me meet the challenges of the coming year.

The new year should be an exciting one for all of us. Some hot topics already on the 1993 club agenda are:

 club incorporation,
 installation of remote receivers for the .47 repeater,
 effectively dealing with the continued growth of our nembership.

As you know, the club has grown significantly in the past two years. When I joined the M.F.A.R.L. in 1991, we were meeting in the Sonny's Bar-B-O. Now it is not uncommon to see 50 - 75 people join us for dinner and a program at the Cherokee Cattle Company. Because of this growth, I believe that we should seriously consider club incorporation. This is not an overly difficult process. Many amateur clubs have incorporated both in this area and nationally incorporation does not man that the this area, and nationwide. Incorporation does not mean that the N.F.A.R.L. will become any less friendly. But, it should help us in meeting some of our goals, such as seeking 50130 status later

On another note, we have been talking about putting up a number of remote receivers for the .47 repeater for some time. Now that the amplifer and filter have been installed on Sweat Mountain, the club can look towards improving the "ears" of the repeater. Fred and I have talked about some of his plans to improve our machine's coverage. How much we will be able to do will depend on your support, ad the cost of each project. I will be asking

Fred, in the next couple of months, to present a plan at a monthly meeting for remote receiver installations along with a cost projection for each site. Hopefully, within the next two years, the reception and transmission coverage of our repeater will effectively include most, if not all, of North Georgia.

The growth of the N.F.A.R.L. is also an item of consideration. As the club continues to grow, the demands on the effective use of the club resources will also increase. Each member will expect the best from our facilities and what the club can offer expect the best from our facilities and what the club can offer them. field day, meetings, family social events, programs, repeaters, and auto-patch capabilities, just to mane a few, will be high on everyone's lists. Providing the same high level of club involvement within the Amateur community will also take the effort of each member of the N.F.A.R.L. Some will give more than others, but it has been my experience that all club members give of themselves when asked and when they can of themselves when asked, and when they can.

Along these lines, I am asking for your help in making this a truly great year. If you have any suggestions for monthly programs, please pass your suggestions on to me, or my wife Michelle, WAYMSP. Avery, WBYRTP, as already provided me with one excellent suggestion. I have contacted the Georgia Chapter of the American Red Cross to get a representative to give the club a presentation on their Disaster Action Team program. Hopefully, this will be our January or February program. Other submitted ideas for meetings include:

another auction (a favorite of this past year),

 a program on Emergency coordination,
 a presentation by members of A/D Technology on the operation of our repeater controller,

a presentation on packet radio, and
 a meeting where test equipment will be set up to help you check out your rado equipment.

I have some other ideas in the works, but I really need more of your suggestions to help insure that the club gets the best program possible each month during 1993. You can reach me on the nets each Monday night or at 740-7939.

Again, let me thank you for the opportunity to serve the club in 1993, and I hope that it will be a great year for all of us.

See you at the Christmas party on December 9, and have a happy, safe, holiday season.

### NORTH FULTON ANATEUR RADIO LEAGUE NOVEMBER 11, 1992

Dave Fellows WD4APK called the meeting to order in the absence of Dave Vanderwall.

The nominations for officers for 1993 are:

President Jeff Weinberg AA4ARC Vice-President Dave Fellows WD4APK Treasurer Fred Moore N4CLA Secretary Steve Knittel KC47BO

There were no other nominations from the floor and these nominees were elected to office unanimously.

Jeff Weinberg AAAARC spoke about the great job Dave Vanderwall has done, it appears that he may be transferring back up to the cold North.

Dave Fellows WD4APK moved that we present a plaque to Dave Vanderwall in appreciation. The notion was seconded and corried.

Fred Moore MACLA moved that we present a plaque to Bill Driscoll in appreciation for his providing the repeater site which we use. The motion was seconded and carried.

Dave Fellows noted that Danny Turner WA4BRO provides a BBS primarily for the use of MFARL and that this has been a substantial financial burden on Danny. Dave moved that we purchase a 170 MB hard drive for Danny at a cost of \$310. The motio was seconded and carried.

Steve Knittel KC4YBO reported that we had a very successful field day, being listed in QST as 55 out of 94 stations in our category. The next field day will be 6/26/93 so mark it on your calendar. He also thanked those who brought food.

Dave Fellows reported that we had a negative cash flow of about \$300 this year. This was in part due to the purchase of \$1300 new equipment for the repeater. Dave questioned if the club should be considering a dues increase. Alan Stern M4GHX feels that the club should be working toward owning both repeaters.

William Witt WB60YO moved that we raise the Standard Member dues by \$5.00 to \$35.00 per year. The notion died for lack of a second. Doug Reed M3AIA moved that we form a budget study group to report back at the next meeting. Motion seconded and carried.

David Mayer KD4!LA moved that we form a committee to find out how much we can get back from the ARRL if we are an affiliated club.

17

The Secretary reported that as of 9/28/92 we had 182 members of which 89 reported on their membership applications that they were ARRL members. Quite a number of NFARL members do not indicated if they are ARRL members or not. The motion was seconded and carried.

Rise Witt W6JEE discussed the ongoing plans for the Christmas party.

Jeff Weinberg reminded us of the family brunch the third Sunday of each month.

> Fred Moore reported the following new members: MEMBER 10 CALL Jim Lynch Williams Reynolds 066 KD4NHR 079 KD4SGR Frank Lonbardi 082 WBZHMG Larry Motley Rise Witt 100 WB4JAU N6JEE 286

It was reported that the Head of the Hooch rowing regatta went very well. There were very favorable comments about the professional manner in which it was carried out.

Fred Moore reported for the technical committee that the amplifier is back and reinstalled. The 440 rig is almost ready.

The remote site is coming along. He thanked David Wall for the sheet metal work of the new cabinet into which all of the equipment for '.47 will be installed.

It was requested that any meeting ideas or suggestions be given to Jeff Weinberg.

No further business to come before the meeting, it was properly adjourned.

Respectfully submitted,

Hal Myers - K4JHM Secretary

THE BAD STORMS MISSED MOST OF US AND WE ARE VERY THANKFUL SO PLEASE IN THE SPIRIT OF GIVING, IF YOU CAN BRING 2 OR 3 CANS OF FOOD. # From Johnsons Ferry Road and GA 120 (1) to the Chimney Springs Club House (2):

Go NORTH on Johnsons Ferry Road from GA 120. Go 2,5 miles (5 traffic lights) to the intersection where Heartwood is on the adjacent corner. Turn RIGHT at the light, this will be Post Oak Tritt Road. Go 0.4 miles and turn RIGHT at the flashing light. (You will see Tritt Elementary School and their playground on your left.) The street you are turning on to is Country Lane. In one block, Country Lane will dead-end into Chimney Springs Drive. Turn LEFT on Chimney Springs Drive. Go one block to the first Stop sign. Turn LEFT on Hearthstone Circle. Stay on Hearthstone Circle past the tennis courts on your right. The clubhouse will be on the right past the courts. If the parking lot in front of the clubhouse is full, you can park in the tennis court parking lot, and take the walk to the clubhouse.

# THE CHRISTMAS PARTY

The christmas party will be held at The CHIMNEY SPRINGS CLUBHOUSE 2466 MEARTHSTONE CIRCLE. A map is enclosed in this news letter.

# Attention all Hungry Hams:

Come one, come all, We have parking for 40 cars at the site and 50 more beside the tennis courts! Talk in will be on 145.47 and 147.06 and 147.555 Simplex. Our annual Christmas party will be held Wednesday, December 9, 1992 from 7:00 pm to 9:00 pm open-house style at the lovely community clubhouse in Chimney Springs Subdivision in East Cobb. Those of us who would like to sit upright (civilized style) are asked to bring folding chairs and even a TV tray if you choose. Otherwise, wear jeans and shirts, bring a blanket or pillows and pull up a spot on the floor (hardwood, in this case) and sit cross-legged.

The food assignments will be as follows:

PLEASE PROVIDE FOR AT LEAST B PEOPLE PER DISH
