Welcome!

The 300+ members of the North Fulton club focus on ham radio -- not only as a hobby, but also as a community service.

There are diverse interests in our club - some of our members enjoy contesting, chasing DX, some build projects and antennas, others operate QRP, some enjoy trying to make a contact on 6 meters and then there are others who just enjoy rag chewing on 2 M. We love *amateur radio!*

We would like to invite you to join us at one of our meetings on any 3rd Tuesday of every month at 7:30PM.
