## 2010 Dayton Hamvention- Club of the Year

### Welcome!

The 250+ members of the North Fulton club focus on ham radio -- not only as a hobby, but also as a community service.

There are diverse interests in our club - some of our members enjoy chasing DX, some build projects and antennas, others operate QRP, some enjoy trying to make a contact on 6 meters and then there are others who just enjoy rag chewing on 2 meters. We love *amateur radio!*

We would like to invite you to join us at one of our meetings on any 3rd Tuesday of every month at 7:30PM.

### Meeting Location:

#### Alpharetta Adult Activity Center

Alpharetta Parks Department  
13450 Cogburn Road  
Alpharetta, GA 30004

If you are an old hand at ham radio, just got your license, or are just curious, we think you'll find our club friendly and ready to help you reach your ham radio goals.

Here are some benefits you would enjoy as a club member:
